How does membership work?

After your try out massage you will be charged via direct debit payment on the last bankday of each month. Payment is made in advance, giving you a massage on your chosen massage length and you choose whether you want a deep tissue massage, relaxing oil massage, pregnant massage or foot and leg massage every month. If you do not use a massage for a month, you can use it at a later time as long as you are a member.

How do I join?

You fill out an application form either online or on paper in the clinic which only takes 2 minutes. You will need your bank details to complete a direct debit application (Autogiro).

Do I have to be a member to get a massage at the clinic?

No, we offer rates for non-members, but our member options are very affordable and flexible so you will still benefit from being a member. Not sure what level suits you? Ask us what the best option will be for you, and your lifestyle.

Can I join as a joint member with a friend or relative?

No unfortunately because many people use their wellness allowance for massage and wellness allowance is personal, therefore you can not share your membership with anyone.

How do members book their massages?

You can book online, by phone, by email, or of course in our reception. When you want to book your monthly massage, choose massage under the respective heading PLATINUM 80min, GOLD 55min, SILVER 40min or BRONS 25min. You will need your membership number that you will receive from us. If you want to book extra massages, choose under each heading for Deep Tissue Massage (Behandlande), Relaxing oilmassage (Avslappnande oljemassage), Foot & Leg or Pregnancy Massage. Choose from the services named (Member).

Can I cancel my membership?

Yes, membership is month by month and can be terminated at any time subject to your chosen membership terms. Alternatively, you can temporarily put your membership "on hold" (max 2 months). All memberships can be cancelled within one month of start for any reason.

Can my membership be transferred?

No unfortunately not because most people use their wellness allowance for massage and the wellness allowance is personal so you can not transfer your membership nor give away massages to anyone else.
